

Dear Valued Partner,

Range Developments is delighted to announce the commencement of initial work on the construction site of Six Senses La Sagesse, Grenada. The company is committed to complete the project by November 2022.

The commencement of the construction has been carefully timed to honor Independence Day the nation marks on February 7.

Prime Minister of Grenada, Dr. the Right Honourable Keith Mitchell, has endorsed the start of the project and rapid progress of works on the new resort by the leading developer of citizenship by investment developer of projects in the Caribbean - Range Developments: "The Government of Grenada fully supports and welcomes the work of Range Developments, who has an outstanding record of delivering the finest world class resorts in the Caribbean. This project will impact significantly on Grenada's rural economy and it will also offer visitors a more unique experience, given its location outside of the traditional tourist belt."

The Six Senses La Sagesse, Grenada will be a 100- room, luxury resort, located on Grenada's La Sagesse beach. The resort will be one of two resorts on one of the most coveted sites in the Caribbean.

Six Senses La Sagesse, Grenada

Mr Mohammed Asaria, Managing Director and Board Member of Range Developments said: “We have achieved this important milestone in a record time: the agreement with the government has only been signed 10 months ago and, due to strenuous efforts of our team, we are proud to have completed the hotel design and commence construction within such a short timeframe. This timeline is unmatched from a standing start. We also feel privileged to be placing our resort on such prime land in Grenada and to be working with Six Senses, a brilliant combination. These are exciting times ahead, as we always strive to make a difference in the communities we operate in. The Six Senses La Sagesse, Grenada resort, similar to all of our developments, will create a halo effect across the country’s economy”.

Grenada has one of the strongest Citizenship-by-Investment programs in the world and is highly sought-after by individuals looking for citizenship solutions. Upon investing USD 220,000 alongside with government fees, into a government-approved Citizenship-by-Investment project such as Six Senses La Sagesse, Grenada, an investor can enjoy multiple citizenship benefits including visa-free travel to over 130 countries. Grenada is the only Caribbean Citizenship-by-Investment jurisdiction that enjoys USA E-2 treaty. By making a substantial investment into setting up a business in the USA, citizens of Grenada can apply for a non-immigrant E-2 visa and live and work in the USA.

We look forward to working with you and we appreciate your continued support.

For further information on any of our projects, please contact us via e-mail info@rangedevelopments.com or call +971 4 325 3447.

Yours faithfully,
Range Developments Team
